

# BELGRADE'S FIRST MODERN MULTI-FUNCTIONAL VENUE

EXPO XXI Belgrade is part of Expomedia Group's EXPO XXI International Expocentres chain, which includes venues in Warsaw, Cologne, Amsterdam and New Delhi. It benefits fully from the experience of other venues operating in the chain, standardisation of procedures and services offered, and an on-line reservations system which allows organisers to view available dates and to make booking requests on-line.

EXPO XXI Belgrade International Expocentre will fulfill Belgrade's need for a brand new multi-functional venue, which responds to the demands of today's organisers.

EXPO XXI Belgrade adapts to your needs and provides you with facilities and services unlike anything else that currently exists in the city.
